PRINCIPAL SIDE

- Oversee niya lahat ng nagyayare sa **REGISTRAR VIEW** and **ACCOUNTING VIEW**. (Wala lang action. As in view lng pero LAHAT ng nakikita sa **Registrar** and **Accounting** makikita din dito sa side na to)
- Sa **DASHBOARD** yung total number of FEMALE AND MALE per grade level is needed (Siguro gawa n lng ng modal like "See all Level". Pero retain parin yung graph na kabuuan ng FEMALE AND SEX which is existing na)
- Lastly, maglagay siguro ng **BUTTONS** for **Registrar View** and **Accounting View**, para pag niclick isa jan, lalabas lahat ng makikita na nakikita ng registrar, ganon din sa accounting. Pero dito walang kahit anong actions ang pwedeng gawin si Principal.
